

MAURICE M. ZIMMERMAN, A.Sc.T., EXCELLENCE IN TECHNICAL INSTRUCTION AWARD CRITERIA

This prestigious Award is named after Maurice M. Zimmerman, an Applied Science Technologist, who was one of the Association's founders, and also the 3rd President. Unfortunately, Maurice passed away in 2015.

This Award is chosen and presented to an individual who deserves the admiration and respect of the general public, and is a registered professional of Technology Professionals Saskatchewan. The technical instructor is recognized for their technical ability, leadership, creativity, and innovation.

ELIGIBILITY:

The objective of this Award is to publicly showcase a technical instructor who has demonstrated an outstanding level of professionalism and excellence in making a significant contribution to the study of technology.

The successful nominee for the Maurice M. Zimmerman, A.Sc.T., Excellence in Technical Instruction Award will be an individual who deserves the admiration and respect of the general public and is a registered professional of the Association.

The Award is open to active (employed full or part-time in an applied science/engineering technology program recognized by Technology Professionals Saskatchewan) or retired instructors.

SELECTION CRITERIA:

In order for the Awards Committee to effectively evaluate competing nominations, the nominator must supply sufficient detail. To assist nominators in producing a complete and thorough package, please follow the guidelines on the Maurice M. Zimmerman, A.Sc.T. Excellence in Technical Instruction Award Nomination Form.

APPLICATION DEADLINE DATE:

Applications accepted on a continual basis.

AWARD:

The Award will consist of a framed Certificate of Achievement.
